October 2023

Welcoming New Class & White Coat Ceremony

On Thursday, July 20, HMSOM held its sixth White Coat Ceremony welcoming the 2023 Cohort. The Ceremony was held at the Venetian and featured speeches from various distinct members of the Hackensack Meridian Community. The 2023 Cohort is composed of 167 students. More than half of the new students are from New Jersey and greater than 10 percent are Hispanic or Latino. Twenty-two languages other than English are spoken by various members of the Cohort and about 10 percent are first generation US citizens.

Bonita Stanton, M.D., Memorial 5K

On Sunday, October 15, HMMH will be hosting the first inaugural Memorial 5K in honor of the late Dean Stanton. All proceeds will directly benefit the established Bonita Stanton, M.D., Fund, which will provide vital scholarships to future physicians accepted to HMSOM. If you are in the area and are interested in participating, you can register via the link [here](#).

Alumni Survey

We want to hear from you! If you have not yet had the opportunity to, please fill out the HMSOM alumni survey. The survey will help us better understand how we can help you and how we can stay connected as you continue through your career.

Follow the link [here](#) to access the survey.

Club Fair

To finish off the two weeks of Human Dimension Immersion & Orientation for the 2023 Cohort, HMSOM hosted its annual club fair. Eighty-seven clubs participated in the fair, ranging from specialty interest groups, community outreach, and recreational. We are excited to see the new cohort start to get involved in student life at HMSOM!

CHP Symposium

On Tuesday, July 18, HMSOM held its fifth Community Health Partner Symposium. Over the past year, students at HMSOM collaborated with 21 Community Health Partners, representing eight different communities across New Jersey. Additionally, students partnered with 13 different school districts spanning grades K-12. During the symposium, students presented their presentations to faculty and the new 2023 cohort, introducing them to the CHP program and proposing future ideas. Moving forward, all 21 Community Health Partners will be returning to build upon or explore new programmatic opportunities for the 2023-2024 academic year.

2023 Residency Match List

We are excited to share the HMSOM 2023 Residency Match List with you! We are so proud of our 2023 Graduates and wish them the best as they embark on the next chapter in their careers. You can find the residency match list in the following pages of the newsletter.
